SELECTION

The Doctoral School will evaluate the applications for this call and will rule on the awarding of Grant covered by this call.

The decision will be communicated within 15th labour days of submitting their application.

The Doctoral School will take the following criteria into account when assessing the applications:

The academic prestige of the training will be priced in relation in the area of specific research (this information will have to be proportionate and justified by the applicant).

- The requests linked to the research carried out within the framework of a project with competitive funding will have priority.
- In the case of a Doctoral Grant holder who wants to apply for more than one application, the first one will be prioritized.
- CV of the applicant of the grant. That information picked up and updated will only be valued on the Tool of Integral Management of the Research of the UOC (GIR).

JUSTIFICATION

After attendance at the training the researcher responsible for the application must submit the following documentation within a maximum of three months:

- Copy of the certificate issued by the organizing institution.
- Report with a brief account of the opportunities detected (contacts, subjects, funding options, etc.) that may be linked to the UOC's research interests.
- Update of the information in the GIR with the details of the work presented at the event in question.
