

RESOLUTION MODIFYING THE TERMS OF THE 2022 CALL FOR GRANT APPLICATIONS FOR DOCTORAL THESES IN THE DOCTORAL PROGRAMME IN SOCIETY, TECHNOLOGY AND CULTURE, THE DOCTORAL PROGRAMME IN NETWORK AND INFORMATION TECHNOLOGIES, THE DOCTORAL PROGRAMME IN EDUCATION AND ICT (E-LEARNING), THE DOCTORAL PROGRAMME IN HUMANITIES AND COMMUNICATION, AND THE DOCTORAL PROGRAMME IN HEALTH AND PSYCHOLOGY

On 26 November 2021, Marta Aymerich Martínez, Vice President for Strategic Planning and Research of the Universitat Oberta de Catalunya (hereinafter 'UOC'), approved the terms and conditions of the 2022 call for grant applications for doctoral theses in the doctoral programme in Society, Technology and Culture, the doctoral programme in Network and Information Technologies, the doctoral programme in Education and ICT (E-learning), the doctoral programme in Humanities and Communication, and the doctoral programme in Health and Psychology.

On the same date, those terms and conditions were published on the noticeboard of the UOC's E-Services Portal.

According to those terms and conditions, the deadline for submitting applications for the grants was 12 February 2022.

As a result of a cyberattack on the UOC, some people had difficulties providing the supporting documents required in the call for applications (point 5 in the terms and conditions); therefore an extension to the aforementioned deadline has been deemed necessary.

In view of all the aforementioned,

I HEREBY RESOLVE

To modify the deadline in the 2022 call for grant applications for doctoral theses in the doctoral programme in Society, Technology and Culture, the doctoral programme in Network and Information Technologies, the doctoral programme in Education and ICT (E-learning), the doctoral programme in Humanities and Communication, and the doctoral programme in Health and Psychology.

The new deadline for submitting these grant applications is **15 February 2022**.
